Life Groups - Fall 2019

For more information email: groups@northview.life or go to <https://northview.life/groups>

August 18, 2019

It is our prayer that everyone at Northview Church will find a group of friends to share life!

Jesus spent 90% of his ministry with a small group of friends. We believe this is still the most meaningful way to live an abundant Christian life and disciple others effectively.

Part of our Life Groups Vision states: *We see the day when every adult who calls Northview home will be intimately connected to others in a Life Group.*

Within these pages you will find a variety of ages, locations and group topics to help you connect into community.

Life Groups are a family (the small group) within a family (the church) within a family (the Kingdom of God).

“For where two or three gather together as my followers, I am there among them.” – Matthew 18:20

Pastor Dustin Wallace

Please note: Not all groups meet every week. Consult the group listing for frequency.

For more information about a particular group, contact the leader via email.

For Life Groups meeting off site, please contact the leader for the location.
